the Association of Medical Laboratory Immunologists

AMLI Community –

I am extremely grateful to have the opportunity to be the President of AMLI. It is a privilege to work with such talented and hard-working professionals. We are fortunate to have excellent candidates for AMLI Officers and I encourage you all to volunteer if interested and vote on the candidate(s) that you feel will advance AMLI's mission.

Soon I will be assembling the Scientific Affairs Committee for our [Annual Meeting](#) in Salt Lake City, if you are interested in participating or have topics you'd like to see presented please let me know. Please remember to submit your [abstracts](#) by June 30, 2022! I look forward to seeing everyone in Salt Lake City!

As we end 2021, I wanted to take a moment and thank you all for your efforts to help AMLI this year. The Society has taken on numerous initiatives this year and I'm excited to see what 2022 will bring. I hope you all have an exceptional Holiday Season and a Happy New Year!

Sincerely,
