

**ASSOCIATION OF MEDICAL LABORATORY IMMUNOLOGISTS
ANNUAL MEETING
AUGUST 16-19, 2024
ABSTRACT RELEASE**

Dear 2024 Abstract Submitter:

At the request of many of our members, we would like to make some of the content from our annual meeting available online. Some of the items that would be of value to our members include the abstracts and copies of posters presented at the meeting.

Therefore, we hope that you will consider participating in this endeavor. However, we will not use your materials without your authorization. If you are willing to have your abstract and poster included on a secure members' only section of our website, please indicate your release below and return this page as indicated. We feel that expanding our site in such a way will make it a much more useful and educational site for our members.
